

Edit Profile: Update e-Mail Address

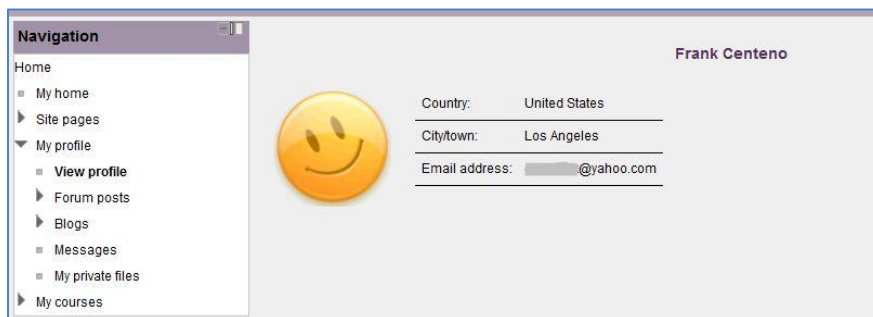

Update e-Mail Address

It is important to verify that the correct e-Mail is in your MOODLE profile. The e-Mail in your profile will be used as the primary e-Mail address to receive notices from your online class.

If the e-Mail address in your profile is not correct, log-in to LATTC [Student Information System](#) to update the e-Mail address. Updating your e-Mail in the Student Information System will update the e-Mail in your MOODLE profile automatically.

How to Check Your Profile e-Mail Address

1. Log-In to MOODLE.
 - a. Click on MY PROFILE under the Navigation block to drop down a menu.
 - b. Click on VIEW PROFILE from the drop down menu to see e-Mail address.
