

Getting Started: How to Log-In

How to Log-In

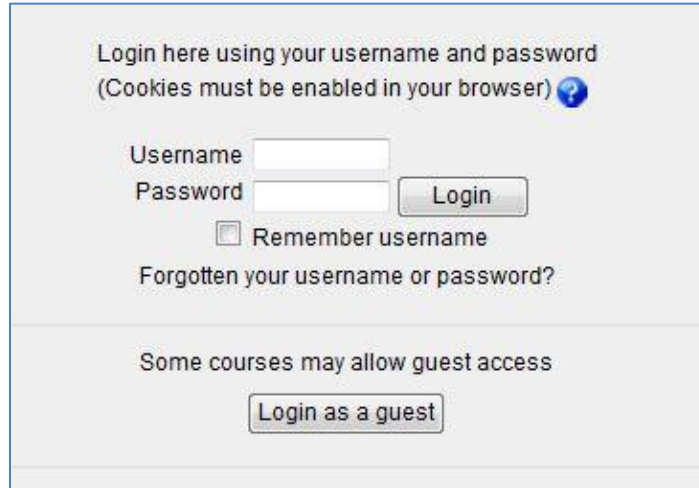

If you don't know your student ID number, you can log into the Student Information System (https://www.laccd.edu/student_information/sis_logon.asp) using your social security number (only if you included this on your enrollment application) and the MMDD of your date of birth.

Username = Student ID Number (example: 88123456)

Password = MMDD of our birthday (the 4 numbers that represent the month and day of your birth. Example: 0601)

NOTE: *If you changed your Student Information System password, you will need to use that password instead of the default password to log-in to MOODLE.*
